During winter, hibernating trailers dream of presentations  
to come

Check the calendar for trailer availability. Then contact David Martin @ 406-444-4253 or [damartin@state.mt.us](mailto:damartin@state.mt.us) to schedule.

Once you have submitted your date, wait a week or two and check to see that your date is put on the calendar. If not, contact David again.

If the DNRC presenter is not available, you may need to “lease” the trailer. In “leasing” the trailer, you agree to transport the trailer, operate it in a safe and proper manner and provide an approved operator. For more info contact DNRC.
